

INSTITUTE FOR LIFECOURSE DEVELOPMENT PRESENTS

“Living with chronic illness as we age” – A hybrid research dissemination and knowledge exchange event

Date: Wednesday 3 May 2023

Time: 1.30-4.30pm + 1 hour networking

Location (in-person): QA080, Queen Anne Court, University of Greenwich, London SE10 9HF

REGISTER NOW FOR THIS FREE EVENT

With this online and in-person event, we aim to:

Disseminate latest state-of-art research on chronic illnesses

Highlight strategies and recommendations to support daily living

Share and exchange knowledge with invited representatives of community groups

Refreshments are provided for those attending in person. The event will be recorded to facilitate further dissemination of the presentations and Q&A.
